## 12" WIDE PREMIER WOOD LOCKERS SINGLE TIER AND DOUBLE TIER

For those looking to enhance the look of their locker room, our premier wood lockers are designed to bring a sense of luxury and functionality to any facility. Constructed of high-pressure premium laminate and industrial grade wood, the Salsbury 41000 and 42000 series 12" wide single tier and double tier premier wood lockers offer ample space for personal storage needs and are ideal for settings requiring contemporary designs and finishes. These spacious 12" wide premier wood lockers feature a decorative laminate finish that is stain and scratch resistant and available in arctic white, winter fog, carbon mesh, silver teak, red oak and skyline walnut premium finishes. 12" wide premier lockers come in 15", 18" and 21" depths and feature matching edge banding around the doors and front frames. Optional matching laminated sloping hoods and side panels easily attach to 12" wide premier lockers and provide a finished look to an individual locker or a row of lockers. 12" wide premier lockers include a 4" high black base and measure six (6) feet high (add 4" for the base). All locker doors are 12" W x 3/4" D and include a black name / number plate (custom engraving #44460 is available as an option upon request). All locker doors also feature European soft-close hinges with opening angles of 110 degrees and include decorative hasps for padlocks (black or silver finish), resettable combination locks (black or silver finish) or electronic locks (black or silver finish). One wide premier lockers are available as fully assembled units only. Three (3) wide premier lockers are also available as fully assembled units only and require minor assembly - see all premier locker options and locks on pages 48-49.

## LOCKER FILLERS

Salsbury locker fillers are an ideal option for locker installations that encounter obstructions such as pipes, columns and other obstacles. Corner and in-line fillers overlay gaps between the existing locker tops and are easily attached providing a finished look to the locker installation. Vertical front fillers provide a professional appearance to the locker installation. Locker fillers can be easily field cut for custom installations.

## LOCKER FILLERS

Salsbury locker fillers are an ideal option for locker installations that encounter obstructions such as pipes, columns and other obstacles. Corner and in-line fillers overlay gaps between the existing locker tops and are easily attached providing a finished look to the locker installation. Vertical front fillers provide a professional appearance to the locker installation. Locker fillers can be easily field cut for custom installations.

# Custom Designer Lockers

## CUSTOM DESIGNER WOOD LOCKERS

Constructed of industrial grade wood and covered with durable high pressure laminate, Salsbury 30000C series custom designer lockers are ideal for settings where a professional environment is desired. Available in sizes ranging from one to seven (7) tiers, custom designer lockers can be ordered in any combination of five (5) heights (36", 48", 60", 72" and 84"), five (5) widths (12", 15", 18", 21" and 24") and five (5) depths (12", 15", 18", 21" and 24"). Custom designer lockers are also available in six (6) standard designer colors (gray, blue, black, maple, cherry and mahogany). A wide variety of custom plastic laminate colors are available as an option upon request on a minimum order of fifteen (15) frames - visit [www.lockers.com/customdesignerlockers](http://www.lockers.com/customdesignerlockers) for color chart. Custom designer lockers are modular allowing for a mixture of configurations. Optional matching laminated sloping hoods and side panels easily attach to custom designer lockers and provide a finished look to an individual locker or a row of lockers. Custom designer lockers include a 4" high black base. All locker doors are 3/4" deep and include a black name / number plate (custom engraving #33360 is available as an option upon request). All locker doors also include heavy duty concealed hinges and a lift up handle and recessed hasp for added security – see lock options below. Custom designer lockers are available as fully assembled units only and require minor assembly - see optional fillers on page 65. To obtain a price quotation, follow the 5 easy steps on page 69.
