

# Specialty Lockers

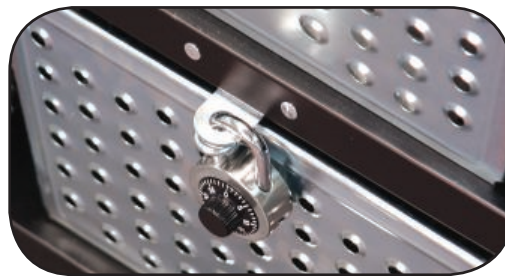

## BASKET LOCKERS

Constructed of 12 gauge steel frames that are powder coated black, basket lockers are an excellent addition to industrial settings, factories, garages and recreational facilities and are available as unassembled or assembled units. Measuring 40" wide and 31" high, basket lockers are 13" deep. Each basket locker unit features nine (9) 12" W x 8" H x 12-1/2" D zinc plated steel and wire baskets. Each of the individual baskets contains a hasp and can accommodate padlocks (#77720 for combination and #77725 for key).
