

# Designer Lockers

## DESIGNER LOCKERS – SINGLE TIER, DOUBLE TIER, TRIPLE TIER, SIX TIER BOX STYLE AND DOUBLE TIER “S” STYLE

Constructed of industrial grade particleboard and covered with durable plastic laminate, 31000, 32000, 33000, 36000 and 37000 series designer lockers are ideal for settings where a professional environment is desired. Designer lockers feature a gray, blue, black, maple, cherry or mahogany finish and include a black disk number plate (custom engraving #33360 is available as an option upon request). Matching laminated side panels (#33333 for designer lockers without sloping hoods and #33334 for designer lockers with sloping hoods - order separately) provide a finished look to the sides of an individual locker or a row of lockers. Sloping hoods (#33351 for one wide lockers and #33353 for three (3) wide lockers - order separately) attach to the top of the designer lockers and provide a finished look. Designer lockers include a 4" H x 17" D black laminated base and are six (6) feet high (add 4" for the base) and 18" deep. All locker doors are 12" wide and include a metal hasp for locking – optional built-in locks (#33310 for combination and #33315 for key), padlocks (#33320 for combination and #33325 for key) and electronic locks (#33390) are available as options upon request. One wide designer lockers are available as fully assembled units only. Three (3) wide designer lockers are also available as fully assembled units only and require minor assembly.

#32368's with optional side panel (#33334), sloping hoods (#33353), combination padlocks (#33320), custom engraved number plates (#33360) and aluminum locker bench (#77778) displayed

31168
