

# 24" Wide Designer Open Access Lockers

## 24" WIDE DESIGNER OPEN ACCESS WOOD LOCKERS

Constructed of industrial grade particleboard and covered with durable high pressure laminate, Salsbury 30000 series designer open access wood lockers provide a large space for clothing, uniforms and many other applications. Available in 18" and 24" depths, open access designer wood lockers are two (2) feet wide and six (6) feet high (add 4" for the black base) and are available in a gray, blue, black, maple, cherry or mahogany finish. Optional matching laminated sloping hoods and side panels easily attach to 24" wide designer open access lockers and provide a finished look to an individual locker or a row of lockers. Designer open access lockers feature an upper shelf with an 11" W x 12" H top compartment. The top compartment includes a 12" W x 3/4" D door and heavy duty concealed hinges and a lift up handle and recessed hasp for added security – built-in locks (#30010 for combination and #30015 for key), padlocks (#30020 for combination and #30025 for key), electronic locks (#30090) and resettable combination locks (#30095) are available as options upon request. The top compartment door includes a black name / number plate (custom engraving #30060 is available as an option upon request). Designer open access lockers also include two (2) double prong coat hooks, a coat rod and a 14" high foot locker. The spacious foot locker includes a hinged lid, a ventilated front panel, a padlock hasp and provides comfortable seating and secure equipment storage. Combination padlocks (#30020) and keyed padlocks (#30025) are available as options upon request for the foot locker.

## DESIGNER OPEN ACCESS LOCKER OPTIONS

*Note: Optional sloping hoods and side panels are sold separately.*

*Designer open access lockers feature a 12" W x 12-1/2" H recessed hasp top compartment that can accommodate built-in locks (#30010 for combination and #30015 for key) and padlocks (#30020 for combination and #30025 for key). Designer open access lockers also include two wall hooks, a coat rod and a 14" high foot locker. The foot locker includes a hinged lid and a ventilated front panel with a padlock hasp for secure equipment storage that accommodates combination and keyed padlocks (#30020 and #30025).*

*Note: It is recommended that all lockers be wall and/or floor anchored.*

*For units with front door panels, see designer gear lockers on pages 82-83
