

Heavy Duty Storage Cabinets

HEAVY DUTY STORAGE CABINETS STANDARD, WARDROBE AND COMBINATION

Constructed of 14 gauge steel, Salisbury 8000, 8100 and 8200 series heavy duty storage cabinets are ideal for warehouses, factories and environments where a heavy duty storage cabinet is needed. Measuring 36" wide and 78" high, the two (2) door heavy duty storage cabinets are available in a gray, tan or black powder coated finish. Heavy duty storage cabinet doors are 17" wide and feature a channel reinforced design for added strength and security. Each cabinet includes a heavy duty 4" steel handle with a built-in three (3) point locking mechanism and can accommodate a built-in lock (#8110 for combination and #8115 for key) and padlock (#8120 for combination and #8125 for key). Standard heavy duty storage cabinets are available in 18" depths (#8078) and 24" depths (#8074) and include four (4) adjustable shelves which can accommodate contents up to 300 pounds per shelf evenly distributed. Wardrobe heavy duty storage cabinets (#8174) are 24" deep and include an adjustable top shelf and a 34" wide coat rod that can accommodate full length garments. Combination heavy duty storage cabinets (#8274) are 24" deep and include four (4) adjustable 18" wide shelves, a 34" wide top shelf and a 16" wide coat rod that can accommodate full length garments. Heavy duty storage cabinets are available as unassembled or assembled units.
