

Custom Premier Lockers

CUSTOM PREMIER WOOD LOCKERS

Constructed of industrial grade wood and covered with durable high pressure laminate, Salsbury 40000C series custom premier lockers are ideal for settings where a professional environment is desired. Available in sizes ranging from one to seven (7) tiers, custom premier lockers can be ordered in any combination of five (5) heights (36", 48", 60", 72" and 84"), five (5) widths (12", 15", 18", 21" and 24") and five (5) depths (12", 15", 18", 21" and 24"). Custom premier lockers are also available in six (6) standard premier colors (arctic white, winter fog, carbon mesh, silver teak, red oak and skyline walnut). A wide variety of custom laminate colors are available as an option upon request on a minimum order of fifteen (15) frames - visit www.lockers.com/custom-premier-lockers for color chart. Custom premier lockers are modular allowing for a mixture of configurations. Optional matching laminated sloping hoods and side panels easily attach to custom premier lockers and provide a finished look to an individual locker or a row of lockers. Custom premier lockers include a 4" high black base. All locker doors are 3/4" deep and include a black name / number plate (custom engraving #44460 is available as an option upon request). All locker doors also include European hinges and a lift up handle and recessed hasp for added security – see lock options below. Custom premier lockers are available as fully assembled units only and require minor assembly. To obtain a price quotation, follow the 5 easy steps on the next page.
