

24" Wide Premier Open Access Lockers

24" WIDE PREMIER OPEN ACCESS WOOD LOCKERS

Constructed of industrial grade wood and covered with premium high-pressure laminate, Salsbury 40000 series premier open access wood lockers provide a large space for clothing, uniforms and many other applications. Available in 18" and 24" depths, open access premier wood lockers are two (2) feet wide and six (6) feet high (add 4" for the black base) and are available in a arctic white, winter fog, carbon mesh, silver teak, red oak or skyline walnut finish. Optional matching laminated sloping hoods and side panels easily attach to an individual locker or a row of open access lockers and provide a finished look. Premier open access lockers feature an upper shelf with an 11" W x 12" H top compartment. The top compartment includes a 11-3/4" W x 11-7/8" H x 3/4" D door and European soft-close hinges and include decorative hasps for padlocks (black or silver finish), resettable combination locks (black or silver finish) or electronic locks (black or silver finish). The top compartment door includes a black name / number plate (custom engraving #40060 is available as an option upon request). Premier open access lockers also include two (2) double prong coat hooks, a coat rod and a 14" high foot locker. The spacious foot locker includes a hinged lid, a ventilated front panel, a padlock hasp and provides comfortable seating and secure equipment storage. Combination padlocks and keyed padlocks are available as options upon request for the foot locker.
