

12" Wide See-Through Lockers Double Tier

12" WIDE DOUBLE TIER SEE-THROUGH LOCKERS 5' HIGH AND 6' HIGH

Constructed of 16 gauge steel, Salsbury S-62000 series 12" wide double tier see-through lockers are available in heights of five (5) feet and six (6) feet (add 6" for legs) and feature polycarbonate see-through door panels that provide maximum visibility. See-through lockers meet the growing need for lockers in industrial, retail, recreational and office facilities where a view of the locker contents is desired. These durable see-through lockers are available in one wide and three (3) wide units and 12", 15" and 18" depths. 12" wide double tier see-through lockers are available in a gray, tan or blue powder coated finish and as unassembled or assembled units. 12" wide double tier see-through lockers include a double prong ceiling hook and three (3) wall hooks. Sloping hoods, finished end panels, end bases, front bases, compartment shelves, fillers and lockers without legs are available as options upon request – see all metal locker options and locks on pages 52-53.

METAL LOCKER OPTIONS

Note: Optional sloping hoods, finished end panels, end bases and front bases are sold separately.

Double tier see-through lockers feature three (3) single wall hooks and a double prong ceiling hook.

Double tier see-through lockers feature a lift up handle and recessed hasp for added security and can accommodate a built-in lock (#77710 for combination, #77715 for key and #77795 for a factory installed resettable combination lock) and a padlock (#77720 for combination and #77725 for key).

Note: It is recommended that all lockers be wall and/or floor anchored.

LOCKER FILLERS

Salsbury locker fillers are an ideal option for locker installations that encounter obstructions such as pipes, columns and other obstacles. Corner and in-line top fillers overlap the existing locker tops and are easily attached with hardware (included) providing a finished look to the locker installation. Vertical front fillers include a wall angle slip joint that conceals uneven edges and provides a professional appearance to the locker installation. Locker fillers can be easily field cut for custom installations.

Locker installation with flat tops

Locker installation with sloping hoods

TOP FILLERS - CORNER

MODEL	DESCRIPTION	WEIGHT
