

# 24" Wide Standard Open Access Lockers

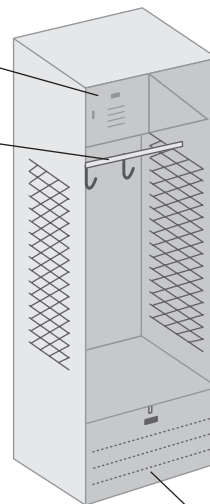

## 24" WIDE STANDARD OPEN ACCESS LOCKERS

Constructed of 16 gauge steel, Salisbury 70000 series standard open access lockers provide a large open and ventilated space for clothing, uniforms and many other applications. Available in 18" and 24" depths, standard open access lockers are two (2) feet wide and six (6) feet high and are available in a gray, tan or blue powder coated finish and as unassembled or assembled units. Standard open access lockers feature a 13-3/4" deep upper shelf with a 12" W x 12-1/2" H top compartment with a strong steel hasp assembly. Standard open access lockers also include two (2) single wall hooks, a coat rod and a 14" high foot locker. The foot locker includes a hinged lid and a vented front panel with a padlock hasp for secure equipment storage. Built-in locks (#77710 for combination and #77715 for key) and padlocks (#77720 for combination and #77725 for key) are available as options upon request for the top compartment. Combination and keyed padlocks (#77720 and #77725) are available as options upon request for the foot lockers. See standard open access locker options and locks on page 37.
