

# Team Benches

## TEAM BENCHES STANDARD AND COMBINATION (WITH SHELF)

Constructed of heavy duty extruded aluminum, 71700 series and 72700 series team benches are ideal for indoor and outdoor applications including sports fields, tennis courts, basketball courts and school gymnasiums. Available in two styles, the 71700 series standard team benches include a heavy duty aluminum frame with a 12" seat board and 12" back rests. The 72700 series combination team benches with shelf include a 19" wide shelf mounted behind the back rest for accommodating sports bags, equipment and water bottles. The anodized aluminum seating area is 1-3/4" thick and features rounded edges for comfort. Team benches are available in three (3) lengths (7-1/2', 15' and 21'). Minor assembly is required.
