

# Wood Cubbies

## WOOD CUBBIES

Constructed of medium-density fibreboard (MDF) and covered with durable vinyl laminate, Salsbury wood cubbies are ideal for offices, classrooms, workout facilities and many other applications. Wood cubbies are available in a 12" cube, a double high 12" W x 24" H rectangle, a 15" cube and a double high 15" W x 30" H rectangle. Rectangular wood cubbies include two (2) single wall hooks. Available in a black or white finish with a white interior, cubbies can be ordered individually or in groups to meet your specific requirements. The flexibility of the wood cubby design allows multiple units to be connected vertically or horizontally with mounting hardware (included). Wood cubbies are available as fully assembled units only. Optional 4" high black bases, wall hooks (for 12" cube and 15" cube), compartment shelves and coat rods are available as options upon request – see wood cubby options on page 89.
